Installation of Free MSG Viewer

Our Free MSG File Viewer is very easy to install and run on the system. However, to assist some users to download this free-of-cost Outlook MSG Viewer appropriately, the steps are as follows:

- Begin with **downloading the most recent version of the Free MSG file viewer**. This you can get from the official website of <u>msgconverter.com</u>.
- Now, click on the **download button** on the website and then **go to the downloads section** of the web browser (downward icon). Once the tool gets downloaded completely, click on it to proceed with the installation process. After this, give the system permissions by clicking on "**Yes**".
- At this step, **choose the language** of your choice to run the software and then click on "Next".

Select S	etup Language X
@	Select the language to use during the installation.
	English
	OK Cancel

• Further, from the license agreement pop-up window, select the "I accept the agreement" option and then again click on "Next".
